

# Animal & Pet Blessing and Celebration Service

Sunday 14 July 10:30am, All Hallows, Whitchurch

Our animals and pets are a blessing to us so let us thank God for their love and companionship and all they bring to our lives. You are welcome to bring your animals and pets along to this service, please bring a photo if they are too shy to come or you would like to remember a beloved pet who has died.

For the safety and comfort of all our furry friends please ensure dogs/larger animals are on a lead and all other animals safe inside a cage. All welcome, this is a relaxed and informal service, pets must bring a well behaved human with them!!
