

# Forest School

Welcome to Forest school!

This is where the journey begins.....and like any great story we enter slowly, down the path into the deep, deep, deep Forest. We go quietly as we start to hear a noise... is it a bird, mouse or a dragon? The wind whistles by and the adventure in the Forest begins.

Forest School is the place where magic can start to happen as imaginations, self-confidence and vocabulary start to grow.

Every visit to the Forest is always to the same place, yet the story will always change and be different. The amazing memories and adventures that take place in Forest School are always enjoyed. .

All children are given the opportunity to access, experience and enjoy learning while working in the outside environment. Where children experience beautiful surroundings, weather and sounds that enhance their learning visually, orally and sensually. This holistic approach encourages children's imaginations, build's self-esteem and creates the desire to understand, learn and respect the natural world around them.

Through exploration and discovery the children are able to enjoy and self initiate their own learning.

Forest School enables children to take calculated risks in a controlled environment. They learn cause and effect and what may or could happen. They are given the opportunity and responsibility under supervision, to use tools and help be part of a team, creating a fire to keep them warm and cook food.

Equality, achievement and self belief help children to return to the classroom feeling that they can accomplish and succeed in what they do. Every child is valued and their input is vital; they work as a team and they are able to respect and treat each other fairly and as equals

## Research

It is proven from research that learning that takes place in the outdoors is much more powerful and memorable as all the senses are involved. Forest Schools helps children develop through a child-led approach and teaches them how to assess risks for themselves.

Without parent support we are unable to run these sessions as they need a higher ratio of adults.

Parents, if you would like to help please ensure you have a DBS check.
