

Whitchurch Church of England Primary School

21st October 2024

Dear Parents

Following positive feedback from last year, we will again be running a series of English and Maths workshops for parents in the second half of the autumn term. These workshops were set up following feedback from parents both in the parent survey and through the Parent Forum and proved popular last year.

The workshops aim to give parents a better understanding of expectations in English and Maths by showing examples of what we teach and the expected outcomes. We hope that this will support parents to better understand the assessments of your children's learning in reports and when discussing your child's progress with teachers. The workshops also aim to show parents how to support at home with learning.

The sessions will be led by phase or subject leaders with class teachers also in attendance. The workshop is for parents only and we will not be able to accommodate children at these events.

To give us an idea of numbers so that we can allocate a suitable space, please can you email replies@whitchurch.hants.sch.uk by the end of this week to let us know which sessions you will be attending. Please see below for dates of sessions. All sessions will be 5pm – 6pm.

Tuesday 12th November Year 5/6 Maths

Wednesday 13th November Year 3/4 Maths

Thursday 14th November Year 1/2 Maths

Monday 18th November Year 5/6 English

Tuesday 19th November Year 1/2 English

Wednesday 20th Year 3/4 English

We hope to see lots of you at these events over the next few weeks.

Many Thanks

Michelle Dunwell
