

Year 6 Greek Museum- Tuesday 17th December

Museum: As you will have seen on google classroom, on the 17th December, Year 6 will be creating a Greek museum exhibition, which will be on display for parents to view (Eagles 2:00- 2:25, Falcons 2:30-2:50 and Kestrels 2:55-3:15). This will include a large amount of the work we have been producing in class as part of this term's topic, alongside any creative homework tasks the children have completed, e.g a Greek Artefact or a model of an ancient Greek monument. The more artefacts and sculptures we have, the more interesting our museum will be!

Please hand in your homework by Friday 13th December ready for our museum.

Greek costumes: On our exhibit day (Friday 17th December) children can dress as an Ancient Greek (if they want to). Please do not spend too much money on this; you can make a simple costume out of an old bed sheet. Children do not need to dress up if they do not want to.

We are hoping that our museum will take place in the hall, but confirmation of this, as well as collection arrangements will follow.
