

Year 6 Greek Museum- Monday 15th December

Museum: On 15th December, Year 6 will be creating a Greek museum exhibition, which will be on display for parents to view in the school hall (from 2:15pm). This will include a large amount of the work we have been producing in class as part of this term's topic. However, we would like children to complete one of the creative homework tasks on Google Classroom, e.g a Greek Artefact or a model of an ancient Greek monument. The more artefacts and sculptures we have, the more interesting our museums will be!

Children will not be able to leave early after the museum as they will need to help tidy away the museum and change out of their costumes. You can collect them at normal time.

Please hand in your model by Wednesday 10th December ready for our museum.

Greek costumes: On our exhibit day (Monday 15th December) we would like to invite the children to dress as an Ancient Greek.

Please bring your costume in a named bag. Please do not spend too much money on this; you can make a simple costume out of an old bed sheet.

We look forward to seeing lots of parents and guardians there. We know the children will be excited to share their work with you!
