Arrangements for the End of the School Day

Year 5 & 6

Name of Child:..... Class:.....

Please indicate the arrangements for your child at the end of the school day.

To help our children begin to become more independent and prepare them for secondary school we do allow children to walk home to an adult or sibling over the age of 14. However, you must notify us that this permission has been given.

However, if we feel it would be unsafe for us to release your child for whatever reason, parents will be called to come and collect them.

Otherwise, children will need to be collected from the class teacher. Older siblings, aged 14 or over can also collect, but only when prior permission has been given by the parent to the school.

- My child will be collected from the class teacher, at the front gate. Give details below.
- My child has permission to leave their class teacher independently every day of the week and I accept responsibility for my child once they do.
- My child has permission to be a free leaver, but will be meeting someone at a designated spot. Please indicate below the arrangements
