Dear Parents

Year 6 SATs Revision Guides

We are able to offer you the opportunity to purchase revision books for the 2025 SATs tests at a discounted price through CGP.

There are a range of different books available. 10-minute tests, allow your child to practise short test style questions. The SATs Buster books, offer more practise of the skills that are being learnt in school. The Maths SATs revision book contains lots of information to support your child as a prompt for what they have learnt. Please feel free to contact me to discuss what would be best for your child, if you are unsure.

If you would like to purchase any of these books please complete and return the attached form with your payment or make a payment online via SCOPay by Friday 9th January 2026. (Please note if paying online we still need the return slip so that we can ensure the correct books have been ordered). This will allow us to purchase books, on your behalf at a discounted price. Late orders will be subject to a delivery charge.

Further information can be found on the CGP website at: <http://www.cgpbooks.co.uk>. There are many other books on the website for Key Stage 2 SATs which you may also wish to purchase yourself.

Yours sincerely
Mrs M Dunwell
