School Matters

30/01/26

Dear Parents,

We have continued to discuss our school value of *Respect* this week. As part of this, we have been thinking about how we show respect for adults, particularly our parents. We have encouraged the children to reflect on all that their parents do for them, and how they can show gratitude—one important way being through consistently respectful behaviour. Please do talk to your children about this at home. We have challenged them to:

- Say **please** and **thank you**
- **Listen** when they are being spoken to and follow instructions
- **Help** at home – including tidying up around the house
- And, my favourite suggestion from a Year R child: give parents **lots of hugs**

I would also like to remind all parents about our commitment to the *Smartphone-Free Childhood* initiative. Currently, children in Year 6 may bring a smartphone but are not permitted to use it during the school day, and Year 5 may bring a brick phone. All mobile phones must be switched off and handed to a member of the Year 5/6 staff before morning register; they will ensure the phones are kept safely in the school office.

From September 2026, **no children will be allowed to bring smartphones to school.**

Additionally, children are **not permitted** to wear smartwatches that can make or receive calls, play games, or record images or audio. Any smartphones in Year 5 or smartwatches in any year group will be confiscated, taken to the school office for safekeeping, and parents will be contacted.

You will also have received our latest online safety newsletter, which includes useful information about AI and social media—particularly TikTok. This is especially timely given recent news that the House of Lords has backed a proposal to ban under-16s in the UK from social media platforms.

Sport Update: We are very proud of the children who took part in a variety of sporting events this week, including an athletics tournament and a football match. Please see the attached separate report from Mr Gutwin.

Thank you for your ongoing support. Have a lovely weekend.

Mr D Ware
Headteacher

Focus – Year I

The Year I children have really enjoyed being back at Forest School this half term. The weather has certainly been a challenge after having Forest School in the Summer Term last year! Despite the rainfall, the children have had an amazing time exploring and playing in the forest area. They have challenged themselves on the swings, rope ladder and slack line - working on their core strength. They have also enjoyed role playing in the mud kitchen and making fishing rods with sticks, string and circles of wood cut with the saw.

Dear God,

Thank You for those who care for us at home and at school. We are grateful for their guidance and love. Help us to listen, to learn, and to show respect through our words and actions. May we bring joy to those who look after us every day. Amen.

House Points

House Point winners this week are Endeavour, well done children!

Athletics

Twelve enthusiastic Year 6 pupils travelled to the Basingstoke Indoor Athletics Competition on Tuesday, where they faced nine other schools across a wide range of events including sprints, long jump, triple jump, javelin, chest push and speed bounce. Whitchurch shone particularly brightly on the track, placing among the top three schools in the running events and showing real determination and teamwork throughout. Despite coming up against some fierce competition, the children gave their all in every discipline and ultimately secured a respectable 7th-place finish. Most importantly, they approached the day with brilliant attitudes, supported one another, and thoroughly enjoyed the experience from start to finish. Well done to Rowan, Imogen, Christie, Holly, Flo, Imogen, Alex S, Alex K, Danny, Caelan, Jack, Caelan and Robbie.

Football

Whitchurch played the next round of the Year 5 and 6 Andover Football League against Pilgrims' Cross, and the match turned into a thrilling, end-to-end contest packed with goals. Pilgrims' Cross made a rapid start, finding the net within the opening minutes, but Whitchurch responded brilliantly, regaining their composure and striking twice in quick succession to showcase real character and resilience. The game remained evenly balanced for long spells, with both teams creating chances and working hard across the pitch. In the end, Pilgrims' Cross proved more clinical in front of goal and edged the win, but the Whitchurch players should feel incredibly proud of their performance and teamwork. A big well done to Kylo, Reuben, Evan, Barney, Michael, Ryan, Louie and Edward for representing the school so brilliantly.
