School Matters

13/03/26

Dear Parents,

This week we have spoken about forgiveness in our school worship time – using the story of the prodigal son from the bible. We teach children to not hold grudges and to forgive others. However, we discussed why the ‘prodigal son’ is forgiven by his father – that he sought forgiveness, acknowledged what he had done wrong, and tried to make up for his mistakes and to be better. Again, we encourage children to understand when they might need to do the same.

I am very excited with the announcement of the Whitchurch 5K event on 17th May. Hopefully you have all seen the flyer and will be joining us on what I am sure will be the beginning of a great Whitchurch annual tradition. I may even run it myself this year – I know Mr Rutledge has already signed up.

Thank you to everyone who contributed ideas to our parent forum this week. Our conversation was mostly food based this time around, but future agendas will be focussed on behaviour rewards, communication, homework and playtimes. Following our discussions this time round though I will share that, going forward:

- All snacks at break time must be either a piece of fresh or dried fruit, or vegetable (such as cucumber or carrot sticks). This does not include fruit winders.
- KS1 children are provided a fruit choice in school but can bring their own if they want to.
- We ask parents NOT to send in sweets or cakes on their child’s birthday. Send them in with a badge, and we will make a fuss of them in class, and ensure we sing happy birthday.
- School lunch portions were discussed. I have spoken to the caterers today, who will shortly provide me with example portion size images, separate for KS1 and KS2 which I will share with you once I have them.

Thank you for your ongoing support, I hope you have a lovely weekend.

Headteacher

Focus – Year 6

Year 6 have been working hard on their Australia topic. They have been learning about the different places in Australia and the types of people who live there, particularly Indigenous Australians. They have explored Aboriginal art, which is traditionally created using natural resources, and have learned how artwork can tell stories through the use of symbols. Working in pairs and groups, the children created their own Aboriginal-style artwork, telling a story using symbols and the dot technique seen in traditional Aboriginal art.

Dear God, thank you for always giving us a fresh start. When we make mistakes, help us to learn and grow. Teach us to forgive others and to feel peaceful inside. Amen.

Football News

On Wednesday, Riley D, Jack D, Edward T, Ollie C, Evan M, Barney K, Reuben S and Kylo J played in the Andover league against Bawksbury. After a defeat in the previous game and knowing that a win would help the chances of progressing to the knockout rounds, the pressure was truly on. The pressure showed in the early moments with Bawksbury on top. Whitchurch, however, began the next part of the match with more intensity and eventually led to a stunning half volley by Kylo tying the match 1-1. The lead lasted barely 30 seconds before Bawksbury quickly made the score 2-1. Whitchurch needed to dig deep and that is exactly what they did at 2-2. Whitchurch showed more skill just before half time, but Bawksbury scored against the run of play, and we went into half time 3-2 down. In the second half, Whitchurch locked in from the very beginning, beating players down the wings, passing the ball through the Bawksbury midfield and with some clever long balls from Evan, they were putting Bawksbury under a lot of pressure. Jack and Edward were rocks in defence and Ollie and Reuben were doing a brilliant job putting pressure on the home team. 5 minutes into the second half, Whitchurch scored a deserved equalizer. They continued to dominate and some clinical finishing from Barney and Evan put us in control scoring 3 goals within the space of 10 minutes. Evan, on two goals was desperate to bag himself a hatrick and did so in extraordinary fashion having a go from 30 yards out and nestling in the top corner. Whitchurch kept their foot on the gas and despite Bawksbury scoring the next 2 goals, some solid goalkeeping by Riley ensured we kept hold of the victory. The match ended with Whitchurch winning 7-5 and with a real shot of making the quarter finals. What a result and well done to you all!

ENGLISH YOUTH BALLET

GISELLE
A DRAMATIC NEW PRODUCTION

English Youth Ballet presents an appealing and dramatic production of Giselle set on an English country estate with an 'upstairs downstairs flavour'. Giselle is a Governess, a young girl who is betrayed by the Prince Albert who unbeknown to her is also engaged to Lady Bathilde. This leads to a macabre, ghoulish scene dominated by Wilis who are young women jilted in love and who rise from their graves at night and take revenge on any man who crosses their path. With enchantingly sumptuous costumes, pretty scenery and spectacular dancing this production cleverly updates Giselle with its drama, colour and warmth.
